**Trousers:** 7360915 580
- **Pullover:** 7310225 440  
**Trousers:** 7360625 580

### SOFT WOOL

Super Soft Cotton protects your skin from excessive friction and absorbs moisture. Garments made of Super Soft Cotton are longer lasting, stay in shape and are easy to wash or dry clean.

## WATER REPELLENT

The surface of the material has been treated with the most advanced technologies allowing it to maintain its softness and comfort and still being able to keep away water and dirt.
